Dear Ms Meyer:

The Mossy Rock Mine, file number S/039/0025, located in Sanpete County, Utah, will now be closed and the file retired.

On August 25, 2009, a site inspection was performed and it was determined that the site has been satisfactorily reclaimed and can be fully released.

You are hereby released by the Division from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new Notice to the Division and provide reclamation surety prior to creating any disturbance.
